We have made it easier than ever to take our courses. You will need sign up for an account. Whenever you log in and join an **"ON DEMAND"** or **"LIVE WEBINAR"** CE course, you will get credit once you have a LEAD Account. You don't need to register for each class.

NOTE: **ON-DEMAND** Courses can be taken anytime at your convenience. You are required to pass a quizz at the end of the course.

LIVE WEBINARS require you to log on just prior to the start of the course. You will be required to answer a few polling questions during the duration of the course.

1 . ***If you haven't already done, so you will need to register for the platform.***

NOTE: We prefer that you use your NPN Number (National Producer Number) when first registering for the course. This will make it convenient if you need CE credits in multiple states.
