

# ONE SYSTEM FITS ALL!

AgentTrax does it  
all in one place.

Here's how...

Better Workflow. Greater Efficiency. Lower Risk.

## PRE-CLOSING

### Back Title

TitlePoint Access to Starter Searches from one of the largest policy record databases available in the industry.

### TitleWave

Order, track, receive searches, create commitments, and issue policies online through this fully integrated platform with over a dozen T&E systems.

### Patriot Search

Able to search OFAC and store results at the FILE level.

### Rate Quote

Use file details to create premium quotes by calling the National Rate Calculator and storing at the FILE level.

### High Liability Approval

Submit requests that are automatically routed to the appropriate underwriting department and approvals send via email.

### LetterTRAX

Issue Closing Protection Letters, Letters of Good Standing and Authorization Letters and integrated in 13+ T&E systems.

## POST-CLOSING

### JacketTRAX

Obtain policy jackets, report premiums, endorsements and other fees with no need for a separate remittance process.

### Policy Upload

Dashboard access for quick uploading of policy schedules and endorsement for issued policies which also feeds into TitlePoint.

### E-Pay

Able to pay policy premium, endorsement and other fees at the file level though ACH or group files together to pay by wire or check.

### TitlePay Plus

Able to pay for non-premium transactions using a credit card.

## AGENCY MANAGEMENT

### EscrowTRAX

Provides an easy and convenient means of submitting escrow trust account reconciliations through efficient and secure uploading.

### National UGuide

Dashboard access to the online National Agency Underwriting Guide that features several underwriting topics, videos, downloadable training available 24/7.

### Marketing

Dashboard access to a library of educational and marketing collateral that can be semi-customized with your information and branding for download or print.

### FNF Academy

Dashboard access to our online virtual education center with upcoming events, recorded webcasts, best practices, ongoing courses curriculums within several areas of study.
